

Crucible Web Activity

While there are many similarities between Arthur Miller's The Crucible and the Salem Witch Hunt, there are also many differences. Using the following website as a starting point (<http://www.aresearchguide.com/crucible.html>) research 10 differences between the history and the fiction of The Crucible. For each difference, write a paragraph explaining it followed by the URL or the website and the title of the website. This is to be typed in MLA format.
